Employee name	
Site location	Budiriro
Date	Fri May 07 2021 08:15:00 GMT+0200 (Central Africa Time)
witnesses	[]
Description of what happened before the incident	sdfghj
Description of what happened during the incident	While dancing, KS lost her balance and tried to grip on to the television. The tv fell, however, KS quickly held on to the couch for support. KS wanted one more drink, however staff encouraged her to stop. KS was on the verge of escalating until staff redirected her to dance more. KS continued to dance. KS was too intoxicated, staff encouraged KS to sit down. When she refused, staff politely sat down and asked KS to sit down with them.xcvb
